

Capital City Farmers Market

PO Box 515

Montpelier, Vermont 05601-0515

Market Manager: Carolyn Grodinsky, 223-2958
manager@montpelierfarmersmarket.com

Hello Everyone:

We have a single market application for all three markets: the Outdoor Market, the Thanksgiving Market, and the Winter Market. This will be the only application you will fill out for the entire year. Your market letter this season will give your acceptance status for all three markets. Payment for the Thanksgiving Market and the Winter Market will be due six weeks prior to the individual market start dates and will confirm your participation in these markets. At this time, if you are unable to participate, you can withdraw your application without penalty.

The deadline for returning your application this year is January 31st. You will hear back regarding space assignment in mid-February.

Before filling out your application, please make sure you have reviewed all the documents listed here:

- the application
- market rules and policies, bylaws, and an explanation of how the point system works
- maps of the markets at which you wish to vend

A list of each vendor's rank in the seniority system will be available shortly. I will send out an email when I have calculated the points for this year. If you need this information at that time, you can give me a call or email.

Thanks for your support and cooperation!

looking forward to another successful season
Carolyn
